Principal's address

My Dear Alumni,
Greetings to all,

It gives me great pleasure to introduce before you the first issue of MIP Bulletin. MAEER's Maharashtra Institute of Pharmacy is one of the best institutes practicing discipline, culture & professionalism along with excellent Academic track record since inception. Our college is ISO 9001-2008 certified and B. Pharm Programme is accredited by National Board of Accreditation (NBA). The overall growth of MAEER's Maharashtra Institute of Pharmacy is a fruitful consequence of time to time support and guidance of Hon'ble Dr. Mangesh Karad and Hon'ble Dr. Suchitra Nagre, Executive Director, MAEER's MIT Group of Institutions, Pune and the result of which, I humbly say, our institution is a forerunner in Pharmacy field. We focus not only on curricular development of a student, but also on cocurricular and extracurricular development.

It gives me immense pleasure to mention that our faculty received a grant under Industry Institute Partnership Cell (IIPC), Entrepreneurship Development Cell (EDC), and Innovation Promotion Scheme (IPS) from AICTE and FIST from DST and also bagged a funding for various research projects by University of Pune.

A first issue of our newsletter is a mirror that will reflect the college's achievements and will help to reach it up to you.
